

## **Brief CV**

### **Akrivi-Irene Panagiotopoulou**

Akrivi-Irene Panagiotopoulou has a diploma in Educational & Social Policy and works as an R&D Executive in Training and Consulting. Since 2002 she has participated in the design, implementation and management of European projects (EQUAL, EIF, AMIF, Erasmus+) as well as national and local projects for social inclusion, entrepreneurship, lifelong learning, and vocational training. She has been responsible for the development of the training methodology and material of numerous adult education programs. Her tasks include the quality assessment and editing of such methodologies and material, as well as the provision of consulting services in vocational training.
