

## BioS Curriculum is now available!

We are very pleased to announce that the **BioS Curriculum** is now available. **BioS Curriculum** integrates the latest advancements in the field of **bioinformatics/computational biology** that can be immediately applied by **medical doctors and other professionals in the health sector**. **BioS Curriculum** is modular, based on the learning outcomes approach, leading to ECVET credits and is comprised by the following four (4) modules:

- ✓ **Module 1: Introduction to Bioinformatics,**
- ✓ **Module 2: Computational Statistics for clinical doctors,**
- ✓ **Module 3: Commercial personalised genomics services in patient care,**
- ✓ **Module 4: Quality Improvement in Healthcare**

The **BioS Curriculum** is available now at:
